**Simonne Celestine : In the Shadow of the Acropolis** before purchasing it in order to gage whether or not it would be worth my time, and all praised In the Shadow of the Acropolis:

0 of 0 people found the following review helpful. This story was riveting once I got going and it ...By Melodi PetersThis story was riveting once I got going and it turned out to be a real page turner. The plot unfolded quickly and the emotional roller coaster Julia found herself on was not only believable but insightful. An ordinary woman whose life took an extraordinary turn, where she was forced to challenge her values to ensure survival and where her frustration was palpable and her determination enduring.
